### BIGFORK MAN WINS NATIONAL AWARD

MISSOULA--

Andrew J. Matosich, a University of Montana junior from Bigfork, has been awarded a \$900 scholarship by the National Society of Public Accountants Scholarship Foundation.

Matosich combines study of accounting with a political science major at the University.

He is one of 22 scholarship recipients selected from almost 1,300 applicants on the basis of scholastic achievement, financial need and demonstrated leadership ability.

The scholarship foundation was organized in 1969 by the 17,000-member National Society of Public Accountants. Its purpose is to give financial assistance to deserving college, junior college and business school students who intend to enter the public accounting profession.
